Cakes, Muffins and Cookies - Biscuit and Cookie Premixes

07/23-G

Product Name: APITO AFGHAN BISCUIT MIX

Product Code: 3827

Information: Afghans are a rich, crunchy, short eating chocolate biscuits with wide popularity.

The full rich flavour is obtained from cocoa powder in the mix, together with a chocolate icing finish. The crunchy characteristics are achieved by the use of desiccated coconut and cornflakes.

Afghans are simple to prepare from APITO AFGHAN BISCUIT MIX and are traditionally iced with chocolate icing and finished with a walnut piece or sprinkled with desiccated coconut.

Afghans made from APITO AFGHAN BISCUIT MIX have excellent keeping qualities. Store in an airtight tin and ice when required for sale.
