Icings and Fillings - Creams

11/23-K

**Product Name:** BAKELS FOND ROYALE NEUTRAL

**Product Code:** 4280

**Information:** BAKELS FOND ROYALE Neutral is a high quality stabiliser of whipped creams. Having a neutral flavour it allows you to create your own flavours by adding a fruit filling from Bakels range, eg. Strawberry, Orange, Apricot, Kiwifruit.

BAKELS FOND ROYALE NEUTRAL gives fresh whipped cream a firmer texture to allow for clean cutting or portioning yet retaining a smooth palate profile. BAKELS FOND ROYALE NEUTRAL is freeze/thaw stable.

BAKELS FOND ROYALE NEUTRAL allows for uniform consistent desserts to be prepared with three easy steps. Simply add freshly whipped cream to a prepared solution of BAKELS FOND ROYALE and water. Fresh cream Tortes and Gateaux are an ideal application for BAKELS FOND ROYALE NEUTRAL and this product is strongly recommended by the Bakels Team.

Decorate your desserts with HADEJA FLAN JEL and CHOCKEX SUPREME for different appearances.
