Product Name: PETTINA AMERICAN BROWNIE MIX

Product Code: 3825

Information: Chocolate Brownies are a popular seller in the USA and range in style from light cake-like, to a heavy rich chewy Brownie.

We have developed a middle of the range Brownie mix that produces a rich, moist eating Brownie with a degree of chewiness that we feel will well suit the New Zealand taste.

PETTINA AMERICAN BROWNIE MIX is simple to prepare and is baked as a sheet and should be traditionally iced with a chocolate icing, then sprinkled with chopped nuts, and cut into squares or fingers.

PETTINA AMERICAN BROWNIE MIX contains all ingredients except eggs, water and walnuts.
