Icings and Fillings - Creams

01/19-K

**Product Name:** CREMIN

**Product Code:** 4291

**Information:** This product provides an excellent base for a variety of creams, cream filling and icings. It can be used on its own or with the addition of various flavours, jams, parline, chocolate, liqueur-pastes. Its application is endless.

CREMIN will take up to 20% water when manufactured into cream and is pre-sweetened so addition of sugars is not required.

CREMIN is an all vegetable-based product that also includes castor sugar. Ideal for mock creams and icing with excellent eating qualities and creamy flavour.
