Cakes, Muffins and Cookies - Muffins and Scones

03/20-F

**Product Name:** BAKELS SAVOURY MUFFIN MIX

**Product Code:** 3778

**Information:** Bakels Savoury Muffin Mix is a convenient dry mix that is suitable for producing a complete range of savoury muffins. This mix produces an open moist muffin with good eating properties.

This mix is ideal for individual bakers wishing to make a point of difference by creating different combinations of additional ingredients. A wide range of savoury muffins can be produced from the single mix giving your customers a greater variety.

Place water, eggs and oils into a mixing bowl followed by Bakels Savoury Muffin Mix. A short mix, then blend in your additional ingredients, and the muffins are ready to bake.

Bakels Savoury Muffin Mix is packed in a 15kg bag.
