CHEESECAKE TOPPING

USING [PETTINA CLASSIC CHEESECAKE MIX](#)

<u>Group</u>	<u>Ingredient</u>	<u>KG</u>
	HADEJA FLAN JEL	0.500
	Water	0.400
	Bakels Fruit Filling (your choice)	0.200
Total Weight		1.100

Method: 1. Bring all ingredients to the boil in a pan
2. Allow to cool slightly prior to pouring gently onto chilled cheesecake.
3. Refridgerate cheesecake.

Notes: If the mixture is too hot, the cheesecake mixture will melt. If too cool, the surface of the topping will not be smooth.
